INDUSTRIAL INTERNSHIP PROGRAM 2020

Only for AKGEC Students

Group A (Only for ME Students)

MODULE 1

Arc Welding Technology
(SMAW, GMAW)

or

Non Destructive Testing
(VT, PT, MT)

MODULE 2

Measurement & Inspection
Techniques

or

Computer Numerical Control
(CNC Programming)

MODULE 3

Computer Aided Design
(CAD)

or

Actuation Technology
Hydraulics & Pneumatics

Group B (For Non ME Students)

MODULE 1

Industrial Robot
Operation

or

Robot Offline
Programming

MODULE 2

PLC & HMI
Programming

or

Graphical Programming
Interface

MODULE 3

Embedded System
& IOT

or

Digital
Fabrication

Date of Start : 16th June, 2020

Internship highlights

- Expert Lecture Through Industry Professional
- Focus on Multi-Disciplinary Technical Competence
- Live practical sessions on different industrial applications
- Learning Factories with Industry Machinery

Internship Details

Online Session : 3 Weeks

Hands on Session : 1 Week

Student Intake : 15 Students per batch (Limited Batch)

Course Fee : ₹ 3000/-

Each Participant have to select one course from each module. Each module have 15 Hrs. online theory session & 6 Hrs. Practical Session at ASF
